Great party in disco for Yamamay

Pubblicato: Venerdì 20 Aprile 2012

More than **one thousand fans** laid siege to the Shed Club in Busto Arsizio to **celebrate the tricolour brought to town by Yamamay Busto last Sunday**. The women's champions and all the technical staff captained by the expert **Carlo Parisi** took part in the party in the disco, road XX Settembre among the fans choruses who have followed the epic of butterflies team for years now. **Havelkova, Havlickova, Marcon, Pisani, Bauer, Leonardi** and other teammates signed hundreds of balls, t-shirts, posters and posed for ritual photos with fans; right after they have been called on the stage by Mr. **Roberto Bof** and by the PalaYamay's speaker who have presented them one-one, and the chorus of people who filled the room attended them. **A giant cake and the traditional champagne** uncorked all together finished the deserved party night for this team, which has been able to revive sport passions that in Busto and in Italy were missing for some time. It is sufficient to remember that the **live television program of the competition 5 on Rai Sport has been followed by half a million people**, the memorable record for this TV channel
