A special “passport” for “hop-seekers”

Pubblicato: Lunedì 22 Gennaio 2018

One hundred and forty years of history is an important goal, to share with all friends and celebrate in a special way. The **Angelo Poretti brewery**, whose “first crush” carried out by the founder dates back to the day of **Saint Stephen of 1877**, is ready to launch an initiative in Varese.

In fact, the Angelo Poretti brewery has selected **a list of sixty bars and restaurants** that are based in the **Garden city** in which will be distributed to customers a special “**passport**“. Fans can collect one and then get the stamps by consuming a beer in each of the locals involved (**list and map at the bottom of the article**). The regulation stipulates that the stamps, for the collection of their prize, must be different from one other and each place will stamp the “Angel’s Brewery passport” only once regardless of the number of beers purchased. (**HERE the complete regulation**)

Those that complete the collection of the **60 stamps** by the next 25 May will receive as a prize a **sweatshirt** created for the occasion. But there are also prizes for those who do not complete the whole passport: those who have tasted a Poretti in at least **20 pubs**, will receive a **T-shirt**, those that touch at least **40**, are entitled to an exclusive **bag**. The prizes – **all branded** with the name of the initiative, #140annidiluppoli (140 years of hops) – will be available at the “Brewery shop” in Via Olona, 103 in Induno Olona.

HERE THE official website of #140annidiluppoli

VareseNews will accompany the Angelo Poretti Brewery in this five month long game: in the past few days we have already asked you **which are the pubs where you are used to** sip your favourite hops (thanks for your guidelines!). From here on **we will take you to some of them** to tell you the stories born around a glass “tagged Varese”.

And then we ask you for a further help: **the relationship between “varesini” / “varesotti”** (people who live in or near Varese) **and the Angelo Poretti Brewery** has always been very close. Send us **some photos** showing your relation with the Valganna beer: toast, vintage bottles, billboards, mugs, T-shirts and all that is **#140annidiluppoli**! We will publish them in a special space!

PS: to send the material you can write to the **e-mail marketing@varesenews.it**, to the **Facebook page** of our newspaper or via **WhatsApp** to the number 335/7876883 (in this case, also tell us your name). We

are waiting for you!
