Luino, the Wednesday market has been suspended

Pubblicato: Lunedì 24 Febbraio 2020

This morning, Monday, 24 February, the Mayor of Luino issued an ordinance that suspends the Wednesday market. The decision was taken to conform to measures adopted around the country and around the region, to stop the spread of the coronavirus.

The measure will affect over 400 stalls that, every Wednesday, fill the centre of the town on the shore of Lake Maggiore.
